MAKE YOUR MARK

 **CUSTOMIZE FOR YOUR TEAM**

MISSION

To build a team into a cohesive unit, that looks the part, through our custom garments.
MAKE YOUR MARK.

ABOUT US

IT ALL STARTED WITH A HOODIE.

...and names and numbers that were cut individually by hand! Back in the 90's, in the small Iowa town of Peosta, the idea to create and sell high quality sportswear for sports teams across the country was born. It all began with one sweatshirt available in only one color. That sweatshirt was the X-Grain Hoodie, and to this day it is still one of our top-selling items.

X-Grain was built to be a customizable clothing company that was like no other. Just our name alone, X-Grain, means going against the grain, doing what others couldn't do. The personalization that we perform on our one-of-a-kind products make our garments some of the best in the world.

FIND YOUR FIT

Using measuring tape, measure your body (not over clothing) and refer to diagram as a guide. If you fall between sizes, order the smaller size for a tighter fit or the larger size for a looser fit. Utilize your chest measurements to determine the proper size for tops or outerwear; utilize your waist measurement (where you wear your pants) for bottoms.
